2019 Spring Fiesta Vendor Application

June 8, 2019 11AM to 9PM
Jim Dietrich Park (Rain or Shine)

featuring
BERKS'
BEST TACOS

Please keep this page for your records.

Registration

- The event day is Saturday, June 8 from 11AM to 9PM. The event is rain or shine.
- You will receive more specific event information approximately two weeks before the festival.
- Any refunds will be considered on a case by case basis.

Set Up and Tear Down

- Set up can occur on Friday from 12 noon to 8PM (which we strongly encourage) and on Saturday from 7AM and 9:30AM. Larger trailers and vehicle might consider contacting us for an earlier time frame on Friday, since it may be more difficult for your equipment to be placed once smaller vendors are set up.
- As soon as you have everything unloaded, please move your vehicle to the designated parking area or onto the access road behind your stand.
- Absolutely NO vehicles are allowed in the festival area between 10:30AM and 9PM. If you arrive after 9:30AM for set up, you cannot participate and forfeit all deposits paid. Vendor's cars must be removed from the festival area and parked in a designated parking area or on the secondary access road. You must be ready for sales by 11AM. All participants must stay until 9PM
- Vendor's may set up a canopy if desired. All canopies must be secured with sand bags or other objects to prevent them from lifting up from the wind. Tent pegs must be covered and marked with bright colors.
- Please be courteous of your fellow vendors by setting up within the area designated for you.
- The Township is not responsible for any merchandise or setup that is left overnight. We will have limited security, but you leave items at your own risk.

Trash Removal

- You are responsible for keeping your area free from trash.
- Do not place trash in any of the small trash receptacles along the festival route.
- Vendors who do not properly dispose of their trash will not be invited to participate in future festivals.

Other Guidelines

- We ask that all vendors like and share the Spring Fiesta Facebook page. Please mention on your company's Facebook page that you will be attending Spring Fiesta and post details about the event. You can send us pictures of your food and we will post on our page. Send pictures to kschreiber@muhlenbergtwp.com.
- All of your item prices must be posted.
- Please remember to bring all necessary supplies. Don't forget such items as tables, table coverings, signs, cash box, extra cash (small bills) and change, etc. Most banks are not close to JDP and the festival committee does not have access to change.
- If you owe commission from sales, that money must be paid the day of the festival. This will be done at the white farmhouse on property. If we do not receive your commission payment the day of the event,

or if there is reason to believe that you are not being honest with your sales figures and commissions, you will not be invited to return in subsequent years.

- If you are providing free handouts of any sort, they must be approved by the festival committee. Giving out free food or drink is not permitted.

Additional Guidelines for Food Vendors

Safety

- **Please bring water with you** for your stands use. We do not have public access to water for this event.
- All vendors using any type of heating apparatus (grills, fryers, etc.) MUST have proper fire extinguishers at their stand. Fryers require Class K extinguishers and grills require ABC type extinguishers. The festival committee will not provide extinguishers. If you do not have the proper extinguishers at your stand, you will not be able to grill or fry.
- Grease catchers must be used if cooking on a grill. Please bring appropriate containers for storing the grease. Do not put any grease in any drains or dump on the property. You will be fined according to DEP regulations.
- If you use peanut oil for frying that must be posted as well.
- Grills and the gas for grills will not be supplied by the festival committee.
- Food vendors may not place any heating apparatus in the festival walkway.
- Absolutely no flammable liquids near open flames or grills.
- All generators must be placed behind your stand and out of harm's way of the attendees.
- If using electricity, be cautious of the number of cooking appliances that you plug into one outlet. If using electricity provided by the festival committee, please convey accurate amps and volts needed to power your equipment. Bringing properly rated extension cords (commercial grade - 12 gauge rated) will also help to elevate electrical issues at the event.
- All exposed electric cords must be covered in the dirt to prevent a tripping hazard. Please do not put electric cords across the walk way or in the pedestrian walking area.

Food Products

- All food vendors must follow FDA Food Handling requirements. Please have a copy of your valid state sales tax license and proof of insurance available during the festival. Most non-profits organizations are exempt from the above rules. We ~~expect~~ will have a food inspector in attendance at the festival.
- The Muhlenberg Township's Health Inspector respectfully reserves the right to conduct random audits of food supplies and quality. (i.e. thoroughness of cooking, refrigeration, temperature, etc.).
